PRODUCT DESCRIPTION

Groove 5CCT brings clean geometry and modern versatility to everyday lighting. Formed from a slim aluminum channel, each integrated LED ring creates a refined halo of light with a recessed downlight for a crisp, architectural effect. Offered in Matte Black or Brushed Gold, the collection spans a wide range of diameters from 24", 32", and 40" to dramatic new 60" and 72" sizes. A coordinating 24" flush mount extends the look to lower ceilings. Five selectable color temperatures, from warm 2700K to bright 5000K, allow the light to adapt to each space.
