Cascada | E20797-20

PRODUCT DESCRIPTION

A natural wonder sculpted in glass, the Cascada evokes the feeling of a rain shower in a graceful swirl of Egyptian crystal spheres. The rainfall that is evoked by the large and small crystals is made possible by their suspension from strands of sheer monofilament that hang in natural torrents from a chrome flush mounted canopy with puffed metal-vented trim. A conversation piece wherever it's placed, the Cascada illuminates drama on a grand scale.
