

ALUMILUX™

ARCHITECTURAL LIGHTING

ALUMILUX™

Our state of the art Alumilux collection of LED luminaries is manufactured to the highest standards of technology available. Comprised of sleek, architectural designs and machined out of solid stock aluminum, these pieces have applications in both residential and commercial installation. Alumilux is a full range of products that include interior and exterior sconces, pendant, ceiling mounts, bath vanities and step lights. The line is effortlessly married into contemporary and transitional settings since it is both abundant in selections and minimalist in their design.

SCONCES

INTERIOR & EXTERIOR

Bring the outdoors inside with our line of Architectural Essentials high quality interior and exterior wall sconces. European in design and machined out of blocks of solid Aluminum, these sconces have both the look and quality expected for the discriminate buyer. High powered LEDs create dramatic light effects and most are approved for wet location applications.

- Indirect Wall Lighting creates light pattern effect
- ADA Compliant
- Directionally adjustable in field
- ETL & cETL wet location listed, IP65 rated
- Available in 120V and 220V-277V*
- Driver located within fixture
- 35,000 hours rated life
- Color Temp: 3000K
- CRI: 80+

*220V & 277V available for special order

PATHWAYS

Provide safe and functional lighting along your paths by adding spot lighting and bollards. These machined aluminum products enhance the architectural elements of your home by using techniques like grazing and uplighting. Whether you choose to accentuate an object of interest or extend your living space, this collection has the sleek and slim profile to blend seamlessly into your pathways.
