Tree Hugger | EMSC423-8PK

Job Name:_____ Job Type:_____ Quantity:_____ Comments:_____

PRODUCT DESCRIPTION

LED spot light modules are connected with rotating joints designed to strap along vegetation and posts. Available in groupings of three, five, and eight, each section is supplied with a fabric strap to easily wrap the products around various structures. These are low voltage rated for inputs of 12-24V and require a landscape transformer that is not provided.
