

**PRODUCT DESCRIPTION**

Discus brings the elemental beauty of natural stone to a clean, sculptural wall form. Circular slabs of travertine are softly backlit, allowing texture, pitting, and organic variation to become part of the illumination. White Travertine pairs with an Antique Bronze finish for a warmer expression, while Rosso Laterite and Black Basalt are set against a durable Gunmetal outdoor powder coat. Wet rated for indoor or outdoor use, ADA compliant, and offered in three sizes, Discus creates a quiet halo of light with architectural simplicity.
