Hagen | E20263-10

Job Name:_____ Job Type:_____ Quantity:_____ Comments:_____

PRODUCT DESCRIPTION

Subtle and sleek, Hagen suspends a thin disk of Clear beveled glass from barely visible strands of filament. Each disk holds a cool LED light that plays across the surface of the glass and culminates in a crisp ring of beveled luminescence. Offered in a single pendant option, Hagen slips unobtrusively into contemporary, sophisticated settings.
