

PRODUCT DESCRIPTION

Evocative of turbulent skies, Stormy is a sculptural masterwork that transforms negative space into visual drama. A billowing cluster of stainless-steel spheres, finished in a moody interplay of Black Nickel, French Gold, and Polished Chrome, creates an abstract cloudscape of extraordinary depth. Floating among the forms, matte white glass globes in varying sizes emit a layered, ambient glow, while discreet canopy-mounted downlights provide refined functionality. Offered in two commanding sizes, Stormy is both art and atmosphere—an expression of elemental motion rendered with impeccable precision.
