

**PRODUCT DESCRIPTION**

Pullman offers effortless adjustability in architectural accent lighting. A sleek retractable arm glides from a 90 degree wall position to a full downward aim with no visible hardware. The precision mechanism allows seamless repositioning for both task and ambient light while preserving a clean silhouette. A slightly recessed LED GU10 lamp in a beveled trim reduces glare and simplifies maintenance. Finished in Natural Aged Brass, Satin Nickel, or Matte Black, Pullman is both functional and beautifully refined.
