
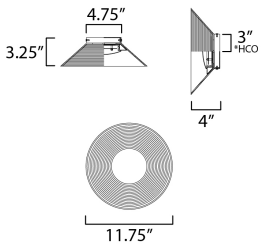
PRODUCT DESCRIPTION

A tapered, ribbed glass shade adds a contemporary edge to a simple design. Available in Clear Ribbed glass with a plated Gold frame or in Emerald Green or Smoked glass with Matte Black frames. These retro-futuristic shades minimize peripheral glare, while a Matte White acrylic shallow domed diffuser softly disperses LED lighting, delivering ample illumination. The collection includes versatile pendant and flush mount options, with the latter doubling as a wall sconce.



*Height from center of outlet to the top of the fixture
