

PRODUCT DESCRIPTION

Shallow glass domes encase edge-lit LED panels, creating a captivating play of light that highlights the void within each fixture while delivering evenly distributed illumination both upwards and downwards where applicable. A meticulously crafted frame conceals the hardware, resulting in a sleek, modern LED composition. The collection is available in two sophisticated finishes - Clear Glass with a Gold-plated frame and Mirror Smoked Glass with a Gunmetal frame - and includes a 2-light LED pendant, a versatile flush mount that doubles as a wall-mountable fixture, and a portable lamp option.
