

PRODUCT DESCRIPTION

Brink brings quiet architectural drama to outdoor lighting through a clean rectangular form and a softly illuminated recessed channel. Finished in Matte Black or White, the design conceals its LED source within a horizontal reveal, allowing light to wash gently across the surface with subtle depth and control. Offered as both a wall sconce and coordinating step light, Brink creates a cohesive exterior lighting story for entries, pathways, stairs, and modern outdoor spaces. Minimal, durable, and refined, it turns a simple line of light into a striking design detail.
