

2026 SUMMER SUPPLEMENT

MATERA

Matera brings the quiet strength of concrete into a refined contemporary form. Arched linear pendants create a soft architectural span, balancing the weight of cast material with the warmth of integrated LED downlight. Offered in Chalky White or natural Grey, the concrete surface adds organic texture and subtle variation to each piece. Two pendant lengths provide scale for dining tables, islands, and open spaces, while coordinating flush mounts echo the same sloping profile in three sizes. With selectable CCT, Matera pairs material honesty with modern lighting flexibility.

MATERA

- Arched linear pendants in two lengths
- Cast concrete in Chalky White or natural Grey
- Integrated LED downlight with selectable CCT
- Coordinating flush mounts in 13", 18", and 22" sizes
- Contemporary architectural form with organic texture

GEIST

Geist reimagines 20th-century plasterwork as a sculptural ring crafted from artisan plaster. Integrated LEDs provide both uplight and downlight, creating an atmospheric halo of light. Available in dramatic Black plaster or classic White, Geist blends sculpture with modern technology for minimalist yet expressive spaces.

GEIST

- Artisan plaster ring construction
- Integrated uplight and downlight effect
- Available in Black or White plaster finishes
- New coordinating wall sconce

SOUFFLE

Deep cast-concrete pans with traditional scalloped edges house integrated LEDs behind curved Opal White acrylic diffusers. Classical forms meet the organic texture of concrete, adding character and warmth. Inspired by ramekins, these delectable LED pieces are available in Chalk White, Terra Cotta, and Grey and offered as flush mounts or pendants.

SOUFFLE

- Cast-concrete shades with scalloped edges
- Opal acrylic diffusers for soft ambient light
- Chalk White, Terra Cotta, and Grey finishes
- New flush size and pendant configurations

LINTEL

Lintel celebrates the quiet monumentality of natural stone in a clean, architectural linear form. Two slabs of travertine extend beyond the LED housing, creating a floating beam of light defined by texture, weight, and restraint. Offered in White Travertine with Natural Aged Brass, Rosso Laterite with Gunmetal, or Titanium Travertine with Antique Bronze, each piece reveals unique color variation and organic character. Available in 48" and 60" lengths, Lintel features selectable CCT from 2700K to 5000K for tailored illumination across contemporary spaces.

- Natural travertine slabs with unique variation
- Travertine with Natural Aged Brass, Rosso Laterite with Gunmetal, or Titanium Travertine with Antique Bronze options
- 5CCT selectable LED from 2700K to 5000K
- Available in 48" and 60" linear lengths

CAVA

Carved from natural stone, Cava transforms simple forms into luminous sculptures. Each surface-mounted cup cradles an LED source, allowing the material itself to participate in the illumination. Translucent alabaster glows with soft warmth, while travertine offers an earthier expression, its natural voids creating delicate points of light. Minimal in shape yet rich in texture, the collection celebrates the quiet drama of stone and brings artisanal depth to modern interiors.

CAVA

- Natural alabaster or travertine stone options
- Surface-mounted stone cups with integrated LED
- Translucent glow with light through natural voids
- Perfect for luxury residential or hospitality spaces

KAIA

Kaia brings the warmth of natural texture to outdoor living with a clean, modern ring of light. Hand-wrapped synthetic rattan surrounds the LED frame, softening the architectural form with a relaxed, furniture-inspired character. Offered in Natural or Grey tones, the finish coordinates beautifully with outdoor furnishings while non-corrosive construction and damp-rated performance make it suited for covered exterior spaces. Available as a 20" flush mount and 36" or 48" pendants, Kaia delivers ambient illumination with selectable CCT flexibility for patios, lounges, and open-air gathering areas.

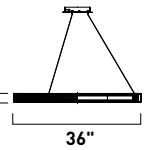

- Hand-wrapped synthetic rattan outer frame
- Natural or Grey tones coordinate with outdoor furniture
- Damp-rated with non-corrosive construction
- 5CCT selectable LED illumination
- Available in 20" flush mount, 36" pendant, and 48" pendant
- Modern ring design for covered outdoor living spaces

CAMBRIA

Cambria shapes plaster into an organic study of light and shadow. Its softly rounded forms are pierced with oval openings, allowing illumination to filter through the shade with a warm, sculptural glow. Offered in Oyster with a coordinating white cord, the plaster surface may also be painted to complement the surrounding interior. Available in three pendant sizes and three flush mount sizes, Cambria brings quiet texture, architectural softness, and modern artistry to indoor spaces. Selectable 5CCT technology allows the light temperature to adjust from warm to crisp white.

CAMBRIA

- Sculptural plaster shades with organic oval openings
- Oyster finish can be painted to match interiors
- Three pendant sizes with matching white cord
- Three coordinating flush mount sizes
- 5CCT selectable from 2700K to 5000K
- Indoor-rated for decorative interior applications

SCION

Striking and unapologetically sculptural, this series draws inspiration from thorny branches stripped to their essential form. Angular, minimalist limbs extend with sharp, angle-cut terminations, each edge precisely defined and illuminated by integrated LED. The result is a dramatic interplay of light and shadow—organic yet controlled, raw yet refined. Finished in Matte Black or plated Gold, the collection balances nature’s severity with a sleek, cinematic edge reminiscent of Bond-villain modernism. Offered in large and small pendant configurations alongside an elegantly pared-back wall sconce, the design commands attention with confident, architectural presence.

- Minimalist branching forms inspired by thorny silhouettes
- Seamless Integrated LED within structural tubes with precise, angle-cut terminations
- Available in Matte Black or plated Gold finishes
- Available in multiple pendant scales and a sleek wall sconce
- Sculptural statement design with bold, modern presence

MOONSCAPES

A triumph of scale, craft, and light, Moonscapes transforms celestial inspiration into a breathtaking installation. Monumental in form yet ethereal in presence, each irregularly shaped panel evokes the cratered terrain of the lunar surface with dramatic texture and depth. Precision edge-lit LED technology is seamlessly embedded within a tailored stainless-steel band, guiding soft, diffused light across the cratered surface with astonishing clarity. The result is an illuminated landscape that appears to hover midair--suspended on near-invisible low-voltage cables--achieving both levity and impact. Engineered for large spaces with architectural ambition, Moonscapes fuses technical mastery with poetic design, offering a bold, unforgettable focal point.

MOONSCAPES

- Large-scale sculptural lighting panels
- Edge-lit LED technology for soft, even glow
- Suspended on near-invisible low-voltage cables

GROOVE 5CCT

Groove 5CCT brings clean geometry and modern versatility to everyday lighting. Formed from a slim aluminum channel, each integrated LED ring creates a refined halo of light with a recessed downlight for a crisp, architectural effect. Offered in Matte Black or Brushed Gold, the collection spans a wide range of diameters from 24", 32", and 40" to dramatic new 60" and 72" sizes. A coordinating 24" flush mount extends the look to lower ceilings. Five selectable color temperatures, from warm 2700K to bright 5000K, allow the light to adapt to each space.

GROOVE 5CCT

ALLUMETTE

Allumette transforms the silhouette of a matchstick into a glowing modern sculpture. Hexagonal metal rods in Gold or Black hold faceted crystal fonts that diffuse recessed LED light like cut gems. This collection merges geometric precision with refined materials, delivering understated luxury to contemporary interiors.

ALLUMETTE

- Inspired by matchsticks with luxe finishes
- Crystal fonts glow with recessed LEDs
- Sleek rods in Gold or Black
- Modern linear design with elegance

HOVER

Hover transforms minimal geometry into expressive illumination. Slender lengths of square extruded aluminum are finished in Matte Black and fitted with V-shaped acrylic diffusers that cast a broader, more generous beam of light. Suspended in long linear runs or arranged in multiples, each form invites creative composition, allowing the design to become a personalized sculpture of light. A coordinating wall sconce extends the collection with an articulating arm that can function as either a sconce or picture light, bringing refined versatility to modern interiors.

HOVER

- 8-Light Vertical Pendant
- 24" Adjustable Wall Light
- Mounting is made according to switch junction box sizes with an additional cover plate included
- On/Off switch at plate

DORIAN

A bold and timeless collection, Dorian features a square block support with two cylinder LED tubes that extend horizontally. The tubes rotate individually to position light making it perfect for highlighting artwork and collectibles in stairwells or walls. The collection features elongated linear and vertical pendants, picture lights and damp rated sconces. The wall-mounted sconces have streamlined back plates that are either square or round that can mount to a single gang junction box or common 3-0 or 4-0 boxes with cover plate included. Two options for extension including one that extends less than four inches for ADA compliance. Available in Matte Black, Polished Chrome, and plated Gold, this collection is a subtle, handsome design with timeless appeal.

DORIAN

- New 60" linear pendant option
- Individually rotating LED tubes
- Picture lights, sconces, vertical pendants, and linear pendants
- Damp-rated sconces with ADA-compliant extension option
- Mounts to single-gang, 3-0, or 4-0 junction boxes

HIGHBALL

Minimalist in form and futuristic in effect, Highball uses sleek cylindrical glass shades to create dynamic, ever-changing light. A polished metal LED housing supports the glass and adds a mirrored quality, visually extending the glow along its length. Choose from mirrored Gradient Smoke or Gradient Amber glass for drama, or opt for new Clear and Frosted glass shades in Satin Nickel, Black, or Polished Gunmetal. Versatile and refined, Highball coordinates effortlessly with a wide range of interiors.

HIGHBALL

- Gradient smoke or amber cylindrical glass shades
- Mirrored metal housing for dramatic reflection
- Modern, minimalist silhouette for dining or bar areas
- New frame and glass finishes and mini pendant size

CLEO

These compact LED spotlights combine precision engineering with a refined modern aesthetic. A knurled metal cap supports the integrated lens, with an optional anti-glare insert to soften output and enhance comfort. A streamlined ball-and-screw pivot allows smooth directional aiming while keeping the silhouette clean and architectural. Powered by 120–277V commercial-grade drivers, each under-2" fixture delivers strong, consistent illumination. Available in Matte Black, Brushed Aluminum, and Natural Aged Brass, Cleo offers versatility and understated elegance.

- Knurled metal cap with optional anti-glare lens
- Ball-and-screw pivot for precise aiming
- Compact form factor under 2" diameter
- Commercial-rated 120–277V LED driver

PULLMAN

Pullman offers effortless adjustability in architectural accent lighting, now expanded with a pendant configuration for greater design flexibility. The wall sconce features a sleek retractable arm that glides from a 90 degree wall position to a full downward aim with no visible hardware, allowing seamless repositioning for task or ambient light. A slightly recessed LED GU10 lamp in a beveled trim reduces glare and simplifies maintenance. Finished in Natural Aged Brass, Satin Nickel, or Matte Black, Pullman brings refined function to walls, ceilings, and focused lighting applications.

- New pendant configuration available
- Retractable sconce arm adjusts from 90 degrees to downward aim
- Hidden hardware maintains a clean silhouette
- Recessed LED GU10 lamp reduces glare
- Available in Natural Aged Brass, Satin Nickel, and Matte Black

LATITUDES

Soft oval forms offer a modern and playful touch to this LED wall mounted sconce. The face of the fixture is a light guided White acrylic diffuser that even illuminates the edge-lit LED light source. The sleek shape is made even more attractive by the bright illumination provided by the fixture itself. Great for use in bathrooms or corridors, the fixture is ADA compliant and available in 4 lengths. A recessed housing behind the fixture not only mounts the fixture with an attractive extension that makes it appear to be floating off the wall, but it also features a 5-step color temperature select switch allowing you to discreetly adjust the LED lighting to 5 settings ranging from a warmer 2700K to 3000-3500-4000 and daylight white 5000K. These additional product features thereby give more latitude to the design applications without special requests.

LATITUDES

- Available in Black, Satin Nickel, Polished Chrome, or Gold finishes
- Accessible and inconspicuous dip-switch sets CCT at 5 options:
- 2700-3000-3500-4000-5000K
- Damp location rated and ADA compliant
- AC 120V LED Integrated
- Dimmable with Triac and ELV dimmers

ALTO

Alto brings clean utility and refined detail to bath lighting with a full-length backplate and softly diffused Matte White acrylic lens. The streamlined form delivers even LED illumination while offering a polished solution for both residential and commercial spaces. Its extended backplate adds visual presence and simplifies remodel installations where broader coverage is helpful. Available in Satin Nickel, Polished Chrome, and Black, Alto coordinates easily with common bath hardware. A 5CCT selectable switch allows the color temperature to adjust from warm 2700K to crisp 5000K for flexible project needs.

- Full-length backplate for remodel-friendly installation
- Matte White acrylic diffuser for soft, even light
- 5CCT selectable from 2700K to 5000K
- Satin Nickel, Polished Chrome, and Black finishes
- Suitable for residential and commercial bath projects

PURIST

Distilling light to its most refined expression, a slim cylinder with a continuous strip of LED light, is engineered to rotate and direct the light precisely where it's needed. Minimal in profile and packed with functionality and features, each LED module can stand alone or link seamlessly with others to create longer runs of light. Purist Presa introduces a knurled end-cap detail that elegantly integrates the connection point, adding tactile refinement to the system. Available in Black, Satin Nickel, and richly burnished Gold, the collection pairs restrained form with quietly powerful functionality.

PURIST

- Slim, low-profile cylindrical design with 360° rotatable LED light bar
- Low voltage, modular construction allows multiple units to link for extended runs
- Purist Presa variation features a knurled end cap
- Precision LED illumination ideal for artwork and architectural accents
- Offered in Matte Black, Satin Nickel, and plated Gold finishes

Available in Black, Satin Nickel, and richly burnished Gold, the collection pairs restrained form with quietly powerful functionality.

PURIST PRESA

- Slim, low-profile cylindrical design with 360° rotatable LED light bar
- Low voltage, modular construction allows multiple units to link for extended runs
- Purist Presa variation features a knurled end cap
- Precision LED illumination ideal for artwork and architectural accents
- Offered in Matte Black, Satin Nickel, and plated Gold finishes

CUBIST

Cubists distills architectural lighting into its purest geometry. Defined by crisp square profiles and clean vertical lines, each fixture presents a confident, minimalist presence with precise illumination held within a sculptural frame. The slim, low-profile design feels intentional and refined, allowing light to appear almost suspended within the structure. Offered as standalone lengths, Cubist brings modern clarity to hallways, bedrooms, and above vanities. Available in Matte Black, Polished Chrome, Satin Nickel, and plated Gold, the collection is designed to coordinate effortlessly with contemporary hardware.

CUBIST

- Slim square-profile design with strong architectural presence
- Standalone fixtures for clean, intentional placement
- Precision LED light source with focused, modern illumination
- Low-profile construction ideal for tight or minimalist spaces
- Multiple finish options to pair with common hardware styles

RUBELLE

A sculptural take on classic form, Rubelle pairs gentle curvature with purposeful design. Its bulbous oval shade is suspended by an arched backplate and adjustable arm, allowing the light to be positioned closer to its subject. The name merges "Rubin" and "Belle"—a nod to graceful proportions and timeless beauty. Whether mounted as a portrait light, vanity fixture, or bookshelf accent, Rubelle offers quiet drama and tailored sophistication.

- Softly contoured oval silhouette with sculptural presence
- Telescopic arm allows extension to be set anywhere between 8.5"-11.25"
- Gimbal at light source allows upward or downward positioning
- Perfect for vanity lighting, portrait illumination, or integrated into bookshelves
- Dual-mounting backplate with optional 5" square cover plate provided
- Integrated LED light source, 3000K Color Temperature
- 120-277V Input
- 3-in-1 dimming: Triac, ELV, and 0-10V
- Available in Natural Aged Brass and Black

HYPERION

Hyperion balances elegance and simplicity in a refined architectural form. Two sloped metal ends frame a faceted K9 crystal bar filled with delicate air bubbles, creating a luminous jewel-like effect when lit. Available in plated Burnished Gold or outdoor-rated Matte Black, the collection transitions easily from residential to commercial settings. ADA-compliant sconces offer a slim profile ideal for corridors and public areas, bringing a sophisticated glow with a sense of luxury.

ELISSE LED MIRRORS

Elisse of Arches and Ovals are finishes in your choice of Black or Gold. The mirrors feature discreet LED channels along their frame. Whereas white acrylic diffusers pair with Gold frame, the Black mirrors are even less conspicuous featuring a black diffuser along the mirror edge appearing as if there is no light source when turned off.

ELISSE LED MIRRORS

- Elegant geometric LED forms
- Ideal for foyers, dining, or lounge spaces
- New 24" x 36" size option

LUMINANCE

Luminance is a flexible LED mirror system designed for horizontal installations with virtually endless length. LED light bars, producing up to 50% more light than typical concealed sources, match mirror dimensions and suspend them from the wall. Additional bars can extend mirror runs, separated by light gaps. A remote driver fits standard junction boxes for easy installation. This economical kit configures to fit your space.

LUMINANCE

- Configurable LED mirror and light bar system
- horizontal installation options
- High-output light bars with remote driver
- New sizes and updated assembly details

FRAMED LED MIRRORS

Designed to elevate everyday restroom spaces, this metal-framed LED mirror pairs refined aesthetics with thoughtful functionality. A slim 2" frosted rectangular light detail is integrated directly into the mirror face, softly backlit to create even, flattering illumination without glare. The durable metal frame adds structure and a tailored architectural presence, while an inconspicuous touch control along the edge allows seamless CCT selection and smooth dimming. Offered in Brushed Black, Satin Nickel, and plated Gold, the mirror coordinates effortlessly with surrounding hardware, delivering a polished, modern lighting solution with lasting performance and style.

FOSSO

Fosso delivers modern minimalism through a bold rectilinear body defined by a sharply angled backlit slit. Designed for outdoor use, the collection comes in 24", 35", and 47" lengths and features a 5CCT selectable switch for on-site color tuning. Finished in Matte Black and fully ADA compliant, Fosso combines a slim profile with a robust 120–277V commercial-grade LED driver, ideal for residential exteriors and demanding commercial façades.

- Sharp architectural light slot in rectilinear form
- Outdoor-rated in three extended lengths
- 5CCT selectable color temperature switch
- ADA-compliant with 120-277V commercial driver

DISCUS

Discus brings the elemental beauty of natural stone to a clean, sculptural wall form. Circular slabs of travertine are softly backlit, allowing texture, pitting, and organic variation to become part of the illumination. White Travertine pairs with an Antique Bronze finish for a warmer expression, while Rosso Laterite and Black Basalt are set against a durable Gunmetal outdoor powder coat. Wet rated for indoor or outdoor use, ADA compliant, and offered in three sizes, Discus creates a quiet halo of light with architectural simplicity.

DISCUS

- Natural stone discs in three finish options
- White Travertine, Rosso Laterite, and Black Basalt
- Soft backlit LED halo illumination
- Wet rated for indoor or outdoor use
- ADA compliant with less than 4" extension
- Available in three sizes

FRACTAL

Fractal brings sculptural geometry to exterior lighting with an angular, faceted cast aluminum body that feels sharp, architectural, and refined. Finished in Matte Black, the form creates dramatic shadow play by day and a controlled indirect LED glow by night. Available as a downlight, up/downlight, and coordinating 3CCT step light, the collection offers a cohesive solution for walls, pathways, entries, and outdoor transitions. Minimal in profile yet bold in character, Fractal turns functional illumination into a modern architectural accent.

FRACTAL

- Non-corrosive cast aluminum body
- Indirect integrated LED illumination
- Downlight and up/downlight options
- Coordinating 3CCT step light
- Matte Black finish for modern exteriors

BRINK

Brink brings quiet architectural drama to outdoor lighting through a clean rectangular form and a softly illuminated recessed channel. Finished in Matte Black or White, the design conceals its LED source within a horizontal reveal, allowing light to wash gently across the surface with subtle depth and control. Offered as both a wall sconce and coordinating step light, Brink creates a cohesive exterior lighting story for entries, pathways, stairs, and modern outdoor spaces. Minimal, durable, and refined, it turns a simple line of light into a striking design detail.

- Recessed LED strip creates a soft linear glow
- Coordinating wall sconce and step light options
- Matte Black or Matte White finish for modern exteriors
- Clean rectangular profile with architectural appeal
- Ideal for entries, pathways, stairs, and outdoor walls

REVEAL OUTDOOR SLIM

Inspired by the best-selling indoor series, Reveal Outdoor brings a familiar sculptural language to exterior spaces. Matte Black tubular forms cast light from the bottom while a concealed reveal behind the central band releases a soft ambient glow across the wall. The layered illumination creates depth, drama, and a beautifully architectural effect. Made from non-corrosive materials for long-term outdoor performance, the collection transitions seamlessly between interior and exterior applications. ADA-compliant proportions make Reveal Outdoor a refined choice for entries, corridors, patios, and architectural facades.

REVEAL OUTDOOR SLIM

- Tubular Matte Black outdoor sconce design
- Downlight with soft illuminated reveal detail
- Non-corrosive construction for outdoor longevity
- ADA-compliant sizes for versatile applications
- Suitable for both indoor and outdoor spaces

LINE 5CCT

An update to our popular Line series, the Line 5CCT uses a wider profile of aluminum with adjustable color temperatures. Simply toggle between the 5 settings: 2700-3000-3500-4000-500K to suit the space where it is installed. Following the original design's premise, the Line is a straight and flat bar that indirectly casts light indirectly on the surface behind it.

LINE 5CCT

- 5CCT field-selectable LED
- Slim linear profile for modern exteriors
- New 30" length option

SIDELINE OUTDOOR

Sleek architectural lines meet flexible performance. The Sideline Outdoor sconce features a wide, flat aluminum profile that casts light along its sides in a continuous glow. Rated for Wet Locations and finished in durable powder-coat finishes that include Matte White, Black, Architectural Bronze, and Satin Aluminum, the Sideline ensures clean, modern styling for any exterior setting. A plated variation in Natural Aged Brass or Polished Chrome brings the same refined silhouette indoors, see Sideline: Bath Vanity.

SIDELINE

- Side-emitting LED for soft wall glow
- Modern low-profile form factor
- New 30" length option

CELESTE

Celeste brings an ethereal glow to outdoor architecture through luminous cast glass and quiet modern framing. A clear and white swirl glass panel appears almost celestial when illuminated, revealing soft movement, layered texture, and atmospheric depth. Set within a non-corrosive aluminum frame in Matte Black, the design balances artistry with durability for exterior spaces. Select from 5 color temperatures that range from a warm 2700K to a bright 5000K. Wet rated and offered in 16" and 24" heights, Celeste creates a refined statement for entries, patios, corridors, and modern façades.

CELESTE

- Cast glass in Marble clear and white swirl
- Non-corrosive aluminum frame
- 5CCT Select: 2700-3000-3500-4000-5000K
- Wet rated for outdoor applications
- Matte Black finish
- Available in 16" and 24" heights

LANDSCAPE

Low-voltage in-ground landscape fixtures provide discreet illumination for pathways, architectural features, trees, and outdoor focal points. Designed for recessed installation, each fixture includes a durable composite housing suited for in-ground applications. Choose from aluminum and composite fixture options with varying wattages, shields, and trims to tailor the light output, beam control, and finished appearance to the needs of the project.

LANDSCAPE

- LED Integrated, 3000K Color Temperature
- 12-24V Low Voltage Input
- Outdoor Landscape Transformer required (not included)
